Predicting Content	13
Scanning: Looking for Specific Information	13
Underlining	13
Writing Marginal Notes	14
Predicting Test Questions	14
Another Perspective on Nursing	17
Reading 1.2: “Caring Means Curing”	18
Comprehension and Discussion Questions	23
Vocabulary Strategies and Skills	24
Using Context Clues	24
General versus Specialized Definitions	29
Parts of Speech	30
Checking Definitions	32
Online Resources	33
Writing about Nursing: Understanding and Synthesizing Information	34
2: Thinking Critically about Nursing	35
Activating Prior Knowledge about a Topic	36
Critical Reading Skills	36
Critical Thinking in Nursing	37

Understanding Different Perspectives	40
Reading 2.1: “The Evolution of a Crisis: Nursing in America”	41
Comprehension and Discussion Questions	45
Reading 2.2: “Nurse, Interrupted”	46
Comprehension and Discussion Questions	53
Reading and Interpreting Figures	54
Reading 2.3: “Nursing in the Crossfire”	65
Comprehension and Discussion Questions	78
Writing about Nursing: Analyzing and Applying Information	80
3: Writing about Culture in Nursing	81
Writing in Nursing	82
Writing in the Nursing Classroom	82
Writing in the Clinical Setting	83
Locating Information from Outside Sources	83
Primary and Secondary Sources	83
Finding Books Using Online Library Catalogs	84
Using Nursing Journal Databases	85
Search Strategies	86
Understanding the Results of Your Search	86
Evaluating Information from Websites	87
Integrating Information from Outside Sources	88
Paraphrasing	89
Quoting	90
Integrating Quotes	91
Using Quotes	91
Adding or Substituting Words	92
Deleting Words	93
Documenting Outside Sources	93
In-Text Citations	94
Reference List	95
Plagiarism from a Cultural Perspective	95
Referring to Outside Sources	96
Introducing the Article and Author(s)	96
Including the Title of the Journal	97
Choosing Verbs	98

Writing a Summary and Critique	100
Guidelines for Writing a Summary	100
Developing Your Critique	101
Maintaining an Objective Voice	101
Writing in Nursing: Summarizing and Critiquing Research	102
Locating an Appropriate Article	103
Reading and Understanding Research	104
Developing Your Writing Skills	105
Pre-Writing Activities: Discussion Questions	106
