

M is for Michigan Football

This is the story of a unique and remarkable football program. It's about a university, a community, and 129 years of history. It's about a team that has provided indelible moments, seemingly frozen in time, and extraordinary memories forever etched in the minds and emotions of fans. It's about victors and conquering heroes. This is the tale of a program so rich in pride and tradition that a story can be found within every letter of the alphabet. Yet all these stories can be represented by a single block letter: **M is for Michigan Football!**
