Introduction	1
Myth 1 Authentic texts are inaccessible to beginners.	13
Myth 2 Authentic texts cannot be used to teach grammar.	27
Myth 3 Shorter texts are more beneficial for language learners.	47
Myth 4 Activating background knowledge or making a word list is sufficient to prepare students for authentic texts.	63
Myth 5 Authentic texts can be used to teach only listening and reading.	76
Myth 6 Modifying or simplifying authentic texts always helps language learners.	92
Myth 7 For learners to benefit from using authentic texts, the associated tasks must also be authentic.	110
