

DETAILED TABLE OF CONTENTS

PART I: THEORY

Chapter 1. Simulations in Hybrid Learning	3
Rationale	5
<i>Passive Learning Replaced</i>	7
<i>Solitary Learning Transformed</i>	7
<i>Traditional Resources Expanded</i>	8
<i>Curriculum Redesigned</i>	10
Conceptual Framework: A Toolbox and Building Blocks	11
<i>Platforms</i>	14
Physical Infrastructure	14
Web Environment	14
Theatrical Setting	15
<i>Boundaries</i>	15
Spatial Boundaries	16
Temporal Boundaries	17
<i>Interactions</i>	18
<i>Study Efficiency</i>	21
Summary	22
Chapter 2. Academic Setting and Simulation Choice	23
Course Subject	23
On-Campus and Online Teaching	27
Course Duration	27
Class Type	27
Academic Cooperation	28
Summary	29
Chapter 3. The World of Simulations	30
The Simulation Family: A Typology	30
The Simulation Genealogy: A Temporal Mapping	32
In Search of Successful Simulations	40
<i>Costs</i>	40
<i>Guidelines for Choice</i>	42

PART II: IMPLEMENTATION

Chapter 4. Simulation Setup	49
Setup Plan	50
<i>Simulation Type</i>	50
<i>Topics</i>	50
<i>Political and Media Teams</i>	51
<i>Schedule</i>	52
<i>Assignments</i>	53
Setup Procedures	58
<i>Create</i>	58
<i>Introduce</i>	61
<i>Distribute</i>	62
<i>Build Teams</i>	62
<i>Assign Dates</i>	63
<i>Follow-Up</i>	63
Instructions for Participants	64
<i>Get Familiar</i>	64
<i>Study</i>	65
<i>Follow Instructions</i>	65
Summary	65
Chapter 5. Policy Formation	66
Rationale	66
Policy Formation Plan	68
<i>Simulation Topic and Scenarios</i>	69
<i>Simulation Rules</i>	73
<i>Policy Formation Process</i>	76
Policy Formation Procedures	80
<i>Collective Actor Portfolio</i>	80
<i>Values</i>	80
<i>Goals</i>	81
<i>Policy Plans</i>	82
<i>Coach Participants</i>	84
Instructions for Participants	84
<i>Individual Tasks</i>	85
<i>Get Familiar</i>	85
<i>Study</i>	85
<i>Participate in Policy Formation</i>	85
<i>Follow Instructions</i>	86
<i>Teamwork: Discuss and Decide</i>	86
Summary	86
Chapter 6. Playing World Politics	88
World Politics Plan	88
<i>Opening Scenario</i>	88
<i>Ad-hoc Events</i>	93
<i>The Process of World Politics</i>	94
Process in a Face-to-Face Simulation	96
Process in a Cyber Simulation	97
Process in a Hybrid Simulation	98
<i>Schedule</i>	99

World Politics Procedures	103
<i>Present the Opening Scenario</i>	103
<i>Declare Start and End of Each World Politics Round</i>	104
<i>Follow the Interaction Process</i>	104
<i>Encourage Participants</i>	104
<i>Input Ad-Hoc Events</i>	104
<i>Establish a Breaking News Session</i>	105
<i>Make Sure Participants Adhere to the Schedule and Rules</i>	105
<i>Summarize Participation for Grading</i>	106
Instructions for Participants	106
<i>Get Familiar</i>	106
<i>Participate in World Politics</i>	107
<i>Keep Updated</i>	108
<i>Follow Instructions</i>	108
Summary	108

PART III: ANALYSIS

Chapter 7. The Simulation Overview	113
Concepts	113
Rationale	115
Research	116
Summary	117
Chapter 8. Feedback	118
The Plan	118
<i>Focus</i>	118
<i>Method</i>	120
<i>Schedule</i>	121
Procedures	123
<i>Prepare Questions and Create Forms</i>	123
<i>Distribute Forms</i>	130
<i>Back-Up and Analyze Data</i>	130
Instructions for Participants	130
<i>Get Familiar</i>	130
<i>Study</i>	131
<i>Complete Feedback Form</i>	131
<i>Follow Instructions</i>	131
Summary	131
Chapter 9. Debriefing	132
The Plan	132
<i>Focus</i>	132
<i>Method</i>	133
<i>Schedule</i>	134
Procedures	136
<i>Prepare Tools</i>	136
Topics for Feedback Summary	136
Theme Questions	136
Guidelines for Team Presentations	137
Elements of Wrap-Up Speeches	137
Subjects for Research Projects	137

<i>Conduct Session</i>	137
Opening Outline	137
Interactive Discussion	137
Concluding Remarks and Implications	138
Instructions for Participants	138
<i>Get Familiar</i>	138
Study	139
<i>Participate in Debriefing</i>	139
Follow Instructions	139
Summary	140
Chapter 10. Assessment	141
The Plan	141
Focus	141
Method	143
Schedule	145
Procedures	145
Grade Assignments	145
Summarize Individual Participation and Collective Teamwork	145
Integrate Participants' Perspective	145
Review Skill Development	146
Calculate Final Grades	147
Appraise the Simulation Project Balance Sheet	147
Consider Adjustments for Future Simulations	148
Summary	149
PART IV: CONCLUSION	
Chapter 11. The Future of World Politics Simulations	153
Back to the Future	153
Major Themes	153
Obstacles and Recommendations for Change	154
Platform Choice	155
Boundaries Choice	155
Interactions Choice	158
Implications for Study Efficiency	160
